

# Improving Mathematics in Key Stages 2 and 3

## An evidence-informed approach

Valuable training for class teachers and mathematics subject leaders in Key Stage 2 and Key Stage 3

Tuesday 12 March 2019

Twilight session only £55\* per person

4.00pm – 6.00pm

The Training Centre, OLCHS, Fulwood, PRESTON

Train with one of the authors of the Education Endowment Foundation guidance report 'Improving Mathematics in Key Stages 2 and 3' published in November 2017.

On this course you will

- consider some of the **report's recommendations** in more detail,
- look at ways in which you can **audit your school's current practice**, and
- see **how you can implement changes** to classroom practice based upon this.

Delegates will take away a copy of the report, an audit tool for their school, and ideas for implementation in classrooms.

Trainer: Simon Cox

Simon is a secondary mathematics teacher, Director of Blackpool Research School, SLE for mathematics, and an experienced school senior leader. He has recently been involved in the writing of the Education Endowment Foundation guidance report 'Improving Mathematics in Key Stages 2 and 3' and delivers training sessions nationally on implementing the recommendations from the report. Simon is a regular speaker at education conferences around the country, and runs the very popular researchED Blackpool conference.
