Welcome to ABACUS NW Maths Hub

The geographical spread of our alliance schools means that they fall into two Maths Hub areas. The existing North North West Maths Hub includes schools in Cumbria and Wyre. The new ABACUS NW Maths Hub will work with all the schools in Blackpool, Preston, South Ribble, Chorley, Blackburn with Darwen, Burnley and West Lancashire.

We will continue to advertise opportunities with both Maths Hubs through the bulletin. Find out more about Maths Hubs at <http://www.mathshubs.org.uk/> Get involved with their fully funded programmes next year.

TSST - Maths, Physics and now MFL

Free [Teacher Subject Specialist Training in Mathematics and Physics](#). Following the success of these programmes we can now offer places for MFL - look out for more details. Ideal for teachers in these areas in secondary schools who are non-specialists - or - for returning teachers in these subjects.

EEF free Secondary Science training

Blackpool Research School are offering 14 secondary schools in Cumbria the chance to take part in a free training programme in 2019-20 See [flyer](#) for details
