The school is situated in a pleasant suburb to the north of Preston, close to the M6 and M55 Motorway junction. The school building dates from the 1960's and is light and open with bright classrooms overlooking extensive playing fields and a garden area.

We serve the parish community of Our Lady & St. Edward's with a few children coming from the surrounding district. Our Lady & St. Edward's is a thriving community and the majority of our families attend church on a regular basis and many are very actively involved in the life of the parish. The school and the parish are very closely linked.

Our parents are very supportive of the work of the school and our pupils are enthusiastic and well motivated. We have some very bright children and many are above average in their attainment. We also take pride in the fact that we admit children with significant special needs and that they make good progress, are well integrated and happy within our community.

Further information about the school can be found on the school's web-site - www.ourlady-st-edwards.lancs.sch.uk

The school was inspected in November 2018 and was found to be a good school. The report is available on the ofsted website – www.ofsted.gov.uk/reports

Provision for Religious Education and Worship was inspected by the diocese in December 2014: "The overall effectiveness of the school is outstanding."

The report is available of the Diocesan Website - www.lancaster-diocese-education.org.uk
